SAME OR DIFFERENT?

Tell the students you are going to say some words that sound similar to each other. Explain that the word printed at the beginning of each row of squares (on the next page) is the word you want them to listen for. Tell them to draw a circle in the square if you said the same word as the first word in the row and draw an X in the square if you said a different word. Read the following twelve groups of six words that represent the twelve rows of squares. Say, "This is the word to listen for in row 1 – bed."
